**LETTER OF RECOMMENDATION FOR KATHY J. GRANT
Photographer, Par Excellence**

Kathy has been the official photographer for the Nevada Diabetes Association (NDA) for several years. The NDA hold numerous types of functions throughout the year – from golf tournaments to high-end wine tastings. Whatever the function, Kathy is always punctual, professional and promptly returns event photos in record time. The quality of Kathy's work is just outstanding – indoors or out. Kathy has a very sunny disposition and works well with all types of personalities – which can be challenging. I highly recommend Kathy and her beautiful work for any occasion. You will enjoy her as much as her photos.

If you have additional questions or need more information, please feel free to call me:
